

Clos LaChance is excited to announce our partnership with LB Steak in an effort to help support the community. Together, we are donating 75 meals a week to the [Bill Wilson Center in Santa Clara](#) – an organization dedicated to preventing poverty in the next generation of youth by providing education, employment, house and positive relationships.

Donations

Each week, the dedicated team at [LB Steak](#) cook 75 meals that are then donated to the Bill Wilson Center. Clos LaChance aids by donating a different case of wine each week and 100% of the proceeds are used to help pay for those meals. It is a partnership we are extremely proud of and are honored to be able to give back to our community during these difficult times.
